HONORING THE LIFE OF COR-  
PORAL WILLIAM JAMES MCCOLLUM

**HON. JEFF DUNCAN**

OF SOUTH CAROLINA

IN THE HOUSE OF REPRESENTATIVES

*Friday, June 11, 2021*

Mr. DUNCAN. Madam Speaker, I rise today to honor the life of Corporal William James McCollum, who was killed in action during the Korean War on December 2, 1950.

Born in Anderson, South Carolina on June 19, 1931, Corporal McCollum was affectionately known by his friends and family as "Billy." At the age of 17, he was inducted into the U.S. Army at Fort Jackson in Columbia, SC and subsequently to the battlegrounds when the Korean War began. After enduring repeated enemy attacks at the Chosin Reservoir, Corporal McCollum was declared missing in action on December 2, 1950. It was not until December 3, 1953, that Corporal McCollum was officially declared dead, still with no knowledge of the location of his body.

Following the summit between President Donald J. Trump and the Democratic Peoples' Republic of Korea Kim Jong-Un in July of 2018, an agreement was reached to return 55 boxes of remains to the USA. The remains were believed to be those of U.S. soldiers who had been killed at the Chosin Reservoir in 1950. Due to the tremendous leadership of President Donald J. Trump, the body of Corporal McCollum's body was accounted for on September 11, 2019. After 71 years, Corporal McCollum can return home and rest in his home city of Anderson. His funeral service, with military honors, will be held on June 19, 2021 at 1:00 pm at the M.J. Dolly Cooper Veterans Cemetery.

Reflecting on the life of Corporal McCollum, I am reminded strongly of the verse John 15:13: "Greater love has no one than this: to lay down one's life for one's friends." From a young age, Corporal McCollum selflessly and nobly served his country. The United States is

blessed to have the finest troops in the world, where so many heroes like Corporal McCollum are willing to put on our country's uniform in defense of our freedoms.

I am proud of the leadership demonstrated by President Donald J. Trump, and it brings me comfort knowing that families were able to be reunited with their loved ones after so many years, especially in the Third District of South Carolina. Corporal McCollum's funeral service will be held on the anniversary of his 90th birthday.

Madam Speaker, it is a privilege to be able to serve the Third District of South Carolina and to honor the lives of those lost in conflict, like Corporal McCollum. My thoughts and prayers are with his family and friends during this time.

RECOGNIZING EUGENE DOLLARD

**HON. JOSEPH D. MORELLE**

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

*Friday, June 11, 2021*

Mr. MORELLE. Madam Speaker, I rise today to honor the distinguished service of Mr. Eugene Dollard of Hamlin, New York. On June 9, 2021, Mr. Dollard was presented with the Legion of Honor Medal, an honor given to those who demonstrate unparalleled courage and patriotism in the face of mortal danger and France's highest accolade conferred for military bravery and service. In 1943, when he turned eighteen, Mr. Dollard enlisted in the United States Navy. A year later, on June 4, 1944, Mr. Dollard participated in the largest naval invasion in history, D-day. On that fateful morning, Mr. Dollard sailed with the U.S.S. *Henrico* under the command of Rear Admiral John Hall. Departing from Portland, England, the *Henrico* crossed the English Channel transporting the 16th Regiment of the First Infantry Division. Under heavy fire, the *Henrico* delivered the infantry to Omaha Beach. During the fighting, Mr. Dollard manned twenty-millimeter machine guns while under attack from German artillery and aircraft. Then, under continued fire, he landed on the beach and administered first aid to the wounded. As the fighting raged on, Mr. Dollard did what he could to assist the wounded soldiers who were taken back to the *Henrico*. After D-day, he moved on to the Mediterranean theatre serving his country honorably in Morocco, Algeria, and Italy. Mr. Dollard was then transferred to

the U.S.S. *Chilton* in the Pacific where he fought in the Battle of Okinawa. During a Japanese bombing raid, he was sheltering in a bunker when he spotted shadowy figures moving on the beach. Crawling out into the darkness, he tackled a Japanese General. Although unarmed, Mr. Dollard was able to overpower the General and capture him, eventually turning the Japanese General over to the Military Police. After three years of service, Mr. Dollard was honorably discharged from the United States Navy in 1945. Returning to Hamlin, he has lived a full life: running a business, raising a family, and leaving his mark on the world for generations to come. Mr. Dollard is an extraordinary example of commitment and selfless service.

Madam Speaker, please join me in honoring Mr. Eugene Dollard.

LATING REAR ADMIRAL JOHN  
MENONI

**HON. MICHAEL F.Q. SAN NICOLAS**

OF GUAM

IN THE HOUSE OF REPRESENTATIVES

*Friday, June 11, 2021*

Mr. SAN NICOLAS. Madam Speaker, I rise today to recognize and congratulate Rear Admiral John Menoni on his exemplary leadership as Commander of Joint Region Marianas.

As the U.S. Indo-Pacific Command representative for our region, Rear Admiral Menoni has embodied a leadership that truly speaks to the best of our human qualities and is critical to efforts made in overcoming the present global pandemic, facing future adversity, and effectively moving our communities and Nation forward.

Over the course of his 18-month assignment to Guam, the Commonwealth of the Northern Mariana Islands, Federated States of Micronesia, and the Republic of Palau, he and his team transcended in their greatest responsibility to preserve the mission of ensuring our Nation's security. Alongside their dedication to defending our Constitution, preserving human rights, and encouraging opportunities for our allies and partners around the world, they embedded a revitalized relationship between military and civilian populations across the region.

Rear Admiral John Menoni collaborated closely with the Government of Guam and other important community members for a comprehensive COVID-19 response, which greatly contributed to the health, safety, and recovery of the crew of the U.S.S. *Theodore Roosevelt*. He worked tirelessly to cement an open forum for locals to identify their concerns and work together with the defense administration to address them. From establishing open lines of communication with local leaders to introducing a cultural sensitivity training program for all incoming Department of Defense parties, he has been a formidable force in cultivating greater understanding among all those who call our islands home and elevating our collective quality of life.

With recognitions such as three Legions of Merit, two Defense Meritorious Service Medals, two Air Strike-Flight Medals, a Guam Commendation Medal, and various other campaign and unit awards, Rear Admiral Menoni's service in numerous positions as support personnel and Commander of operations demonstrates an impressive capacity for excellence in any role he achieves subsequent to

his service as Commander of Joint Region Marianas. His determination to strengthen community ties and fortitude amid the greatest of challenges have further contributed to a reinvigorated mission of defense and unwavering freedom in the Pacific.

Throughout his career and especially during his time in Guam, Rear Admiral Menoni has given new meaning to the Naval legacy of serving country before self. Moreover, he leaves behind a lasting impact on our community rooted in collaboration and problem-solving. Madam Speaker, I rise on behalf of the people of Guam, offering my greatest appreciation for his commitment to our country, region, and island. I sincerely thank Rear Admiral Menoni for his service and wish him the best in his next chapter of duty and future endeavors.

RECOGNIZING FORMER MARION  
COUNTY SHERIFF, FRANK AN-  
DERSON

**HON. ANDRÉ CARSON**

OF INDIANA

IN THE HOUSE OF REPRESENTATIVES

*Friday, June 11, 2021*

Mr. CARSON. Madam Speaker, today I rise to honor former Marion County Sheriff Frank Anderson for 60 years of service in law enforcement.

Frank's life-long dedication to public service began in 1956 when he enlisted in the U.S. Navy after graduating from Shortridge High School. Shortly after joining the Marion County Sheriff's Office in 1961, Frank moved to the U.S. Marshals Service where he quickly rose through the ranks. He played a vital role in the creation and direction of the Federal Witness Protection Program. In 1977, he was appointed as U.S. Marshal for the Southern Dis-

trict of Indiana where he served until 1981 and again from 1994 to 2001. Frank's successful handling of the government seizure of the Indianapolis Baptist Temple earned him the Martin J. Burke Award in 2001, a recognition awarded to the most outstanding marshal in the Nation.

In 2003, Frank made history when elected the first Black sheriff in Marion County; he served in this role for eight years. Frank was a trailblazer for diversity and inclusion in our community and across the State of Indiana. He will forever be remembered for the "Stop and Think" program where he provided youth participants his personal phone number to call before they made a wrong decision.

Frank dedicated his life to service. He led with his heart and persevered through the many challenges that came his way. Today, I ask my colleagues to join me in honoring Frank Anderson.

RECOGNIZING THE RETIREMENT  
OF BLAIR DECKER

**HON. JOE COURTNEY**

OF CONNECTICUT

IN THE HOUSE OF REPRESENTATIVES

*Friday, June 11, 2021*

Mr. COURTNEY. Madam Speaker, I rise today to commend the esteemed career of Blair Decker, who retires from General Dynamics Electric Boat as Vice President of Supply Chain on July 6, 2021. Mr. Decker retires from a long, dedicated career that spans more than 40 years with Electric Boat. With his service to the company in mind, Blair's leadership has been central in maintaining the quality and rate of production at Electric Boat. In leading the company's supply and by extension output capabilities, Blair's role has directly resulted in tangible benefits for our country, including the creation of thousands of jobs for Connecticut and Rhode Island's local economies and the maintenance of our national security.

Madam Speaker, by way of origin, Blair's background is a model example for contributing to one's own community after receiving an in-state education. After graduating from Fairfield University with a bachelor's degree in Economics, Blair went on to receive a Master of Science in Engineering Management from the University of New Haven. Although he went on to gain additional educational experience from Penn State University and Bryant College, Blair quickly transitioned the application of the skills and knowledge he gained toward a career at Electric Boat right here in Connecticut.

During his loyal tenure at Electric Boat, Blair continuously sought to increase his role in leadership positions and level of responsibility, taking the mission of this essential company to heart. He further developed the skills from his earlier education through these new roles of responsibility—including his expert oversight of Material Acquisitions and Warehousing, Inventory Management, Material Services, Information, Document and Configuration Management as well as Supplier and Shipyard Quality Assurance.

As Vice President of Supply Chain, Blair has been responsible for cultivating the vision for organizing General Dynamic's entire Material and Acquisition Value Stream—an un-

doubtedly heavy influx order for the ever-increasing national security demands placed upon Electric Boat. At this crowning position, Blair has been specifically responsible for the execution of design and engineering, construction, material conveyance, supply chain development, strategic sourcing, supplier development and product life cycle support. Overall, Blair has been instrumental in the progression of General Dynamic Electric Boat's acquisitions abilities, transforming the company's reputation as a national leader in shipbuilding.

It is worth noting that Mr. Decker also sought to contribute toward the local community outside of his impressive leadership record at Electric Boat. For example, Blair previously donated his time as an active member of the Board of Directors and Trustee for the Eastern Connecticut Chamber of Commerce, the Board of Directors of the DNA-EPI Science Center and the Board of Trustees for the Lyme Academy of Fine Arts of the University of New Haven. Considering the nature of his demanding position at Electric Boat, Blair also notably served as chair of the General Dynamics Supply Chain Management Council reporting directly to the Corporation's Chief Executive Officer.

Madam Speaker, Blair's competence as an advocate for Electric Boat's mission has been incomparable. With his departure, our region and Electric Boat can find comfort in the sound supply chain infrastructure that he directly brought about. This bright future for Electric Boat will continue to mean incredible things for the second district's local economy and even more for the stability of our national security for generations to come. To that end, I ask that my colleagues in the House join me in congratulating Blair Decker on his well-earned retirement, where he now goes on to spend more time with his family: his daughters Alyssa and Robyn, and his sister Beth.

IN RECOGNITION OF JOSEPH  
JOHNS

**HON. JOHN JOYCE**

OF PENNSYLVANIA

IN THE HOUSE OF REPRESENTATIVES

*Friday, June 11, 2021*

Mr. JOYCE of Pennsylvania. Madam Speaker, I rise today to honor Joseph Johns (Schantz) upon his posthumous induction into the Greater Johnstown/Cambria County Business Hall of Fame, which recognizes leaders who have contributed to the area's economic development and community enrichment.

A farmer by trade, Johns is considered to be the preeminent urban planner of the Greater Johnstown area. Johns first purchased property in what is now Berlin, Somerset County. In 1793, he bought the Campbell tract, which includes much of modern-day Johnstown. Johns was truly the mastermind behind the settlement and development of Johnstown. Today, his beloved "Conemaugh Old Town" proudly bears his name.

For centuries, Johnstown, Pennsylvania, has been forged and sustained by the American values of hard work, perseverance, service, and patriotism. This region's continued success is a testament to the vision of Joseph Johns and the leaders who have come before us. In Congress, it is my privilege to represent Johnstown and its citizens as we seek to secure an even brighter tomorrow for this region.
